

Geranium Calliope® Medium Dark Red
AAS Ornamental Vegetative Winner

With an outstanding deep red velvety flower color and great branching habit, Calliope® was unmatched in the AAS Trials when compared to other market varieties. Calliope® Medium Dark Red geranium is an interspecific hybrid with zonal-type flowers and leaves. This AAS Winner has a mounded, semi-spreading growth habit with strong stems supporting the flower heads that are loaded with deep red blossoms. These plants work great in containers, combination plantings, hanging baskets as well as in an in-ground landscape. Gardeners will enjoy exceptional landscape performance in normal conditions as well as in more challenging high heat and drought conditions.
