

**Pepper Escamillo F<sub>1</sub>**  
**AAS Edible Winner**

A wonderful sweet taste on a golden yellow pepper makes Pepper Escamillo F<sub>1</sub>, one of our 2016 AAS Winners. An early bearing pepper plant with a compact habit makes it an ideal choice for any home garden. Gardeners will be captivated with the high yield of peppers per plant and how the fruit itself is held off the ground for easy picking and less rotting. This plant is a winner with its all around qualities of excellent taste either raw, cooked or fire roasted, its compact size and high yield.
