

Tomato, 'Chef's Choice Orange' F₁
AAS Vegetable Winner

'Chef's Choice Orange' F₁ is a hybrid derived from the popular heirloom 'Amana Orange' which matures late in the season. Now you can experience the wonderful flavor of an orange heirloom tomato in only 75 days from transplant. Its disease resistance is an added bonus. 'Chef's Choice Orange' has a wonderful bright, almost neon, internal color and superior flesh taste and texture for an early maturing orange tomato. Excellent for soups and sauces because the intense color does not fade or discolor when cooked. Home chefs are going to love cooking with this variety as well as eating it fresh.
