

Tomato 'Lizzano'
AAS Vegetable Winner

"Lizzano" is a vigorous semi-determinate tomato variety with a low growing, trailing habit excellent for growing in patio containers or hanging baskets. In the garden, some staking will benefit this plant despite a nice compact and uniform growth habit. The durable, appealing plants grow 16 to 20 inches tall with a compact spread of only 20 inches. Expect abundant yields of high-quality, bright red, baby cherry sized fruits. The small 1-inch fruits weigh about 0.4 ounces. The plentiful fruit set allows for continual harvest beneficial for the home gardener. Judges noted better eating quality, yield and plant habit than comparisons. 'Lizzano' is the first Late Blight tolerant cherry fruited semi-determinate variety on the market. Disease resistant plants will last later into the growing season. Harvest begins 105 days from sowing seed or 63 days from transplant. Bred by Pro-Veg Seeds Ltd.
