

Pepper Sweetie Pie F1
AAS Edible Regional Winner
Region: Heartland, Northeast, Southeast

A miniature bell pepper that is easy to grow with excellent fruit set even under hot and humid conditions. An attractive plant that is well-adapted to container and small garden growing. Fruits can be harvested 60 to 70 days from transplanting either in green or red. These small 3 oz cuties are 2.5 inches x 3 inches in size and are thick walled, sweet and flavorful. These peppers can be eaten fresh, grilled, stir fried or stuffed. The possibilities are endless. As one judge said, "A cute way to introduce bell peppers to kids."
