

**Tomato Chef's Choice Yellow F1**  
**AAS Edible Regional Winner**  
**Region: Southeast**

The fourth addition to the popular Chef's Choice tomato series is Chef's Choice Yellow which produces hearty beefsteak type tomatoes in a beautiful yellow color. Tomato lovers and culinary gardeners will fall for this large meaty delicacy that has a sweet, citrus-like flavor with just the right amount of acid and the perfect tomato texture. AAS Judges raved about the quantity of the 10-ounce fruits that each 5-foot indeterminate vines produced. You'll enjoy harvesting 30 or more fruits throughout the season from this disease (Fusarium Wilt, Verticillium wilt, Tomato Mosaic Virus, Crack, and Scab) resistant plant with dark green leaves and well-behaved form. You'll be the envy of all your tomato-growing friends!
