

## Angelonia Serenita™ Pink F<sub>1</sub> AAS Flower Winner

Serenita<sup>™</sup> is a compact, tough little angelonia ideal for very hot/humid temperatures like in southern areas but it does great in northern gardens too. This Serenita<sup>™</sup> variety features a unique deep pink flower, not usually seen in angelonias. The AAS Judges praised this entry for being drought and heat-tolerant while continuing to produce a large number of flowers all season long.
