

Pepper Emerald Fire F₁
AAS Edible Winner

A grill master's delight! At 2,500 Scoville units, this is the hottest pepper in this year's pepper winners but it boasts extra large and very tasty jalapeno fruits that are perfect for stuffing, grilling or using in salsa. Emerald Fire produces gorgeous, glossy green peppers with thick walls that have very little cracking, even after maturing to red. Gardeners will appreciate the prolific fruit set on compact plants that resist disease better than other similar varieties on the market.
