

**Sunflower, 'Suntastic Yellow
with Black Center' F₁
AAS Bedding Plant
Regional Winner**

'Suntastic Yellow with Black Center' is a new dwarf sunflower perfect as a cheery long-blooming potted plant or window box accent or maybe to add a burst of color to a sunny garden bed. Gardeners will love the number of flowers each plant produces: up to twenty 5-6 inch flowers per plant in three successive blooming periods. 'Suntastic Yellow with Black Center' will bloom in less than 65 days after sowing so by starting indoors, sunflower lovers can get their favorite bloom fix early in the summer.
