

**Celosia Asian Garden**  
**AAS Ornamental from Seed Winner**

This spiked beauty claimed victory in North America's trial sites to become the first ever AAS Winner from Japanese breeding company Murakami Seed. The judges gave this entry high marks in the greenhouse for the good branching, almost bushy growth habit and early-to-bloom flower spikes.

In the garden, Asian Garden celosia continued to bloom on sturdy stems, keeping the bright pink color all summer long, holding up even through some of the first frosts of the season. The AAS Judges commented on the fact that this celosia was a pollinator-magnet, making this AAS Winner a sure bet for pollinator-friendly gardens.
