Ornamental Pepper NuMex Easter
AAS Bedding Plant Winner

You know the AAS judges were impressed when the scores sheets read like this: “Exceptional plant. Love this little pepper! Striking color! Eye-catching! So easy to grow! Loaded with pepper fruits in fun colors. A favorite of garden visitors!” NuMex Easter is a very compact plant, growing to only 6” high but packs quite a punch in such a small package. Beautiful purple, yellow and orange conical fruits pop up above the foliage for a great display of color.

AAS® Winner Data
