

Strawberry Delizz® F₁
AAS Edible Winner

What's not to like about our first ever AAS strawberry winner Strawberry Delizz® F₁? These vigorous strawberry plants are easy to grow, from seed or transplant, and produce an abundant harvest throughout the growing season. The best part though is the wonderful sweet strawberry burst of flavor from every hand-picked berry. To enjoy fresh home-grown strawberries throughout the season, even in hot summer heat, look to Strawberry Delizz® F₁. These plants have a nice uniform and compact size making them perfect for containers, hanging baskets or garden plots. The hardest part of Strawberry Delizz® F₁ won't be the growing but having some strawberries left for anyone else to enjoy!
