Tomato, 'Fantastico' F_1
AAS Vegetable Winner

'Fantastico' is a must for any market grower or home gardener looking for an early-maturing, high-yielding grape tomato with built-in Late Blight Tolerance. Bred for small gardens, determinate 'Fantastico' will work great in hanging baskets, container gardens as well as in small gardens. Long clusters of sweet tasty fruits are held toward the outside of the plant, making them very easy to harvest but if you let them go a few days past peak, these little beauties resist cracking better than the comparisons used in the AAS trials.

AAS® Winner Data
