

Zinnia Profusion Red Yellow Bicolor

“JUST SO CUTE! WOW, WOW WOW!” When multiple judges write comments like that, you know it’s a great entry! Introducing a gold-medal winning beautiful new bicolor addition to the popular Profusion series of zinnias. This gorgeous zinnia starts the season with a bold vibrant red center ring surrounded by golden yellow outer petals. As the season progresses, the aging flowers morph into soft, beautiful shades of apricot, salmon, and dusty rose bringing a plethora of color to the garden, all from one variety! Trial garden visitors clamored over this floriferous and compact plant during the summer trials noting how well the plant continued to bloom new flowers over old so there was never a decline in the beauty presented by Profusion Red Yellow Bicolor.
