

# Taking Photos on the Mercado App

Taking photos of your trial when you are in the field recording your observations is easy! Document your trial's progress by following the steps below.

1. Open Mercado App
2. Select Trial
3. Create new visit
4. Take photos while scoring each variety by selecting the open circle icon next to what you are judging (1), then select the camera icon (2) to take a picture.

After you take the photo, select “Use Photo” (3) to add it to your visit.

3.

You can view your photos later by selecting that visit date and opening the visit again. The open circle next to what you are judging will be filled if you have added a photo. Select the filled circle to view the photo.

Indicates photo was taken, select to view
