

Petunia SureShot™ White

The versatile SureShot petunias are garden gladiators that can withstand any bizarre weather conditions. Whether you plant them in garden beds, containers, or hanging baskets, these beauties will thrive, come rain or shine, heat or cold. Their vibrant white blooms cover the plants, attracting bees and other pollinators to their lightly fragrant blossoms. SureShots are a "sure bet" for any garden, and they're sure to turn heads with their stunning display of color.
