

Petunia Shake™ Raspberry F1

Is there anything more iconic in Americana than a milkshake? Is there any flower more iconic in American gardens than the petunia? Here is where two worlds collide! Petunia Shake™ Raspberry has the coloration of a blended raspberry milkshake swirled with lemon-lime green sorbet on a superior performing petunia. Naturally compact, this petunia will not melt in summer heat but instead will provide season long, delicious color. What an eye-catching and unique flower to serve up in your garden.
