

## Dahlia Black Forest Ruby

---

Like a walk through a fairy tale forest, this newest AAS Winner emerged from the AAS trials in a burst of brilliant color! Black Forest Ruby is a “gem” of a plant featuring striking deep black foliage and abundant ruby-red flowers. Blooms range from semi-double to double, enhancing its diversity and charm. This is a seed-raised variety with pinnate leaves that has impressive overall durability. Plants are sturdy, do not flop open and are disease free all season long. Bring this picturesque beauty to your garden for a dramatic statement that is sure to please.
