

Sunflower Always Sunny Gold F1

Tall, golden, and built to last, Always Sunny Gold is a standout sunflower that outlasts other varieties by at least two weeks because it simply has higher standards. Standing up to 5 feet tall with rich, velvet-golden petals and a deep chocolate center, this plant brings undeniable main character energy from mid-summer straight into autumn. It is also 100% pollen-free, meaning zero mess on the dining room table and no sneezing.
